

# DECLARATION OF CONFORMITY

Manufacturer's Name: B&B Electronics Manufacturing Company  
Manufacturer's Address: PO Box 1040  
707 Dayton Road  
Ottawa, IL 61350, USA  
Model Number: TTL5USB9M & TTL3USB9M  
Description: USB to TTL Mini-converter  
Type: Light Industrial ITE Equipment

## FCC Class A Notice

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

**Note:** This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial or industrial environment. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instruction manual, it may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference, in which case the user will be required to correct the interference at his own expense.

**Modifications:** Any modifications made to this device that are not approved by B&B Electronics Manufacturing Company may void the authority granted to the user by the FCC to operate this equipment.

Issued: 20 October 2008
